Professional Experience

02/2019 – 11/2019 **Bookkeeper**
Red Roses Funeral Parlour
I was in charge of handling the receipt books, to keep track of client payments for their funeral assistant packages.

Projects

07/2024 – 11/2024 **Artio Mobile App Development** 
Co-authored a research paper on mobile app usability, focusing on UI/UX best practices.

- Developed a **cross-platform app** for a laser woodwork business using **React Native & TypeScript**.
- Key features: Custom design uploads, real-time admin-customer communication, order management.
- Collaborated in an Agile team, ensuring timely delivery and client requirements alignment.

2023 – 2024 **Research & Academic Involvement**

- Contributed to and co-authored a group research proposal on mobile application development in 2024
- Hands-on experience in Research Design and Methodology, Data Collection, and Literature Reviews as part of coursework
- Familiar with Havard formatting, research ethics, and qualitative research practices
- Demonstrated leadership and communication while organizing student-led academic initiatives

Personal Website Portfolio 
Personal website that helps showcase my skills and abilities

- This project showcases my skills for languages such as HTML, CSS, JAVASCRIPT, and BOOTSTRAP.
- It is to assist in showing all my other skills although some projects are still in development.
